

## VIRGINIA CITY / CARSON CITY TOUR

Every Thursday ( Year Round )

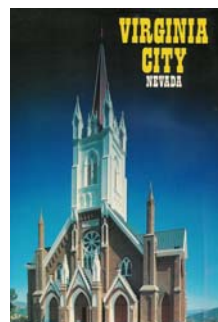

**Tour of the Comstock Lode - National Landmark, open year round.**

This is a narrated tour on a luxury shuttle bus of Lake Tahoe, Genoa, Virginia City and Carson City. Focus is on the period when pioneers explored and settled this general area all due to discovery of Silver and Gold on the Comstock Lode. Yes, you can do this trip on your own and miss out on a lot of important sights along the way not to mention missing out on the narration of an expert Tour Guide who's been studying on these subjects for over 20 years. Tour is very informative and interactive. Besides history, we also touch basis on geology, geography, flora and fauna of the area.

Step back in time on this narrated tour of Virginia city, home of the richest Gold and Silver deposits ever found. On the way to Virginia City, we visit the oldest settlement of Nevada, Genoa est. 1851. We also follow **Pony Express Trail** through the combination of towns and wilderness and don't forget to keep your eyes open for **Wild Mustangs** which are still roaming these areas.

Upon arrival to Virginia City you'll have three hours to visit mansions, museums, see a real mine, have lunch at historic **Delta Saloon** and shop at their famous souvenir stores.  
( everyone receives a Free Drink and other valuable coupons for Delta Saloon upon arrival )

Virginia City ones concealed treasures of great wealth and held the attention of world for half a century, pouring over \$400,000,000 in silver and gold into the economy of an expanding nation.

Departs at 8:30AM and returns by 3:30PM
